**Supplemental Type Certificate**  
(Continuation Sheet)

*Number* ST00011MC

*Limitations and Conditions:*

2. Instruction for Continued Airworthiness GTI Document Number G7340-CA-01, Revision A, dated February 14, 2008, or later FAA approved revision, shall be made available to the operator at the time of installation.
3. Instruction for Continued Airworthiness GTI Document Number G7340-CA-02, Revision A, dated July 20, 2009, or later FAA approved revision, shall be made available to the operator at the time of installation.
4. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
5. Compatibility of this design with previously approved modifications must be determined by the installer.
6. This modification may not be installed after June 7, 2010 unless (1) previously approved electrical wiring interconnection system (EWIS) instructions for continued airworthiness (ICA) have been evaluated and determined to be adequate for this installation by the FAA, or (2) revised EWIS ICA have been approved by the FAA Oversight Office.
